## MEN REDEEMED - Passionate For Christ

### Passionate For Christ - *In Teaching and Discipleship*

#### DISCUSSION QUESTIONS

1. Consider your life in relation to Jesus and His expertise in knowing what He was talking about. In what ways do you regularly seek to grow in your knowledge of God's Word? Discuss how you might better grow in your Bible intake.
2. Consider if and how you are presently helping others grow in God's Word. Even if you are not a teacher, do you encourage others in your conversations, emails, participation in a discipleship group, sharing sermons, etc. In what ways could you better help others grow in the Word?
3. How does loving others relate to teaching them boldly, clearly, directly, patiently, and compassionately, striving to relate to where they are? Are you doing this? If not, pick an area where you want to improve, and ask God to help you grow in that area.

#### Resources:
